Supplement No. 1

TO: Inspectors in Charge of Meat Inspection and Owners
and Operators of Official Establishments

FROM: A. R. Miller, Chief, Meat Inspection Division

SUBJECT: Preparation and Labeling of Pork and/or Beef With
Barbecue Sauce

The effective date of Meat Inspection Memorandum No. 150 is deferred until November 1, 1950 in order to afford additional time for interested parties to present to this office information having a bearing on the establishing of a minimum meat content requirement for pork and/or beef with barbecue sauce.

It is desirable that we hear from all interested parties so that we will have a complete file of information from which a decision can be made.
